### AUTHOR PROFILE:

LJ ROSS is an international bestselling author, best known for creating atmospheric mystery and thriller novels, including the DCI Ryan series of Northumbrian murder mysteries which have sold over 5 million copies worldwide.

In late 2019, Louise started a new series of thriller novels based around the central character of 'Dr Alexander Gregory', whose work as a psychological profiler takes him around the world.

Louise was born in Northumberland, England. She studied undergraduate and postgraduate Law at King's College, University of London and then abroad in Paris and Florence. She spent much of her working life in London, where she was a lawyer for a number of years until taking the decision to change career and pursue her dream to write. Now, she writes full time and lives with her husband and son in Northumberland.

### NO MAN IS AN ISLAND...

In the stifling summer heat of 2014, a killer has been stalking the streets of Newcastle causing city-wide panic. When the officer in charge of the case turns up dead, it falls upon Detective Chief Inspector Ryan to take up the baton and find the person responsible.

To the close-knit team of police in Northumbria CID, Ryan is still an outsider; aloof and uncompromising. He's lived a charmed life and has an unbroken track record to match. But, as The Hacker's death toll rises, Ryan realises this is one adversary he'll never bring to justice on his own...

Murder and mystery are peppered with dark humour in this fast-paced crime thriller, set amidst the iconic North-Eastern landscape.
