1 TIME OF DEATH WESTMINSTER

It's 2003, and Trainee Detective Constable Max Ryan is ready to get stuck into the gritty underbelly of post-Millennium London. Instead, he's handed the case of a missing clock mechanic, whose disappearance from Big Ben's tower made the workers of the Palace of Westminster late by precisely seven minutes... Booted into action by his formidable mentor, DI Ivy Bunton, he is soon drawn into a mystery that leads into the very bowels of the Palace.
